

# Integrated Plan 2021 & 2022

## Diagnose

**Number of HIV home test kits distributed**

2021: 4,767  
2022: 2,649

**Number of HIV tests reported**

2021: 59,807  
2022: 69,737

**Number of hepatitis C antibody tests reported**

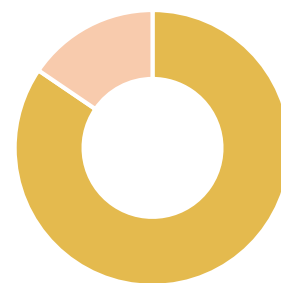

2021: 12,062

**Number of hepatitis C RNA tests reported**

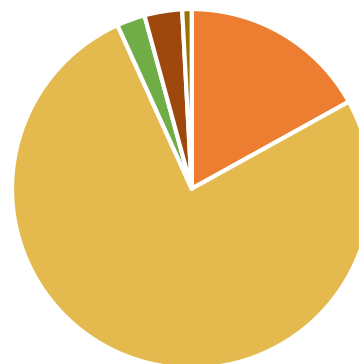

2021: 5,872

Approximately 87.25% of patients that have primary & secondary syphilis know their HIV status

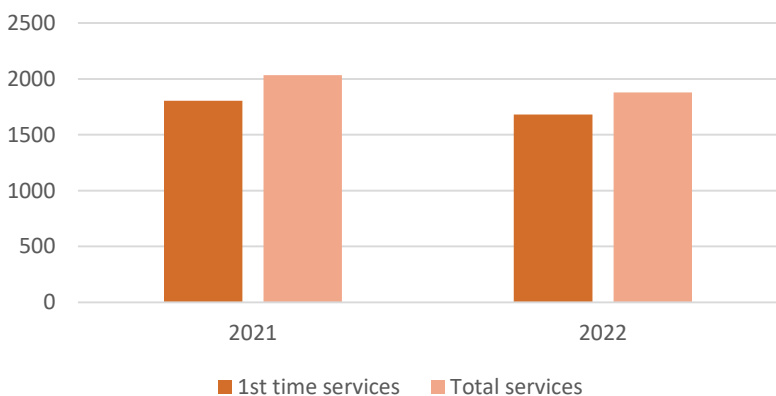

■ Know ■ Don't know

■ STI ■ Prevention ■ RWPA ■ RWPB ■ Hep C

**Number of funded test sites (2021 & 2022)**

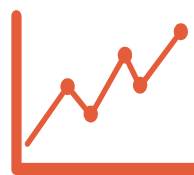

## Prevent

**Number of clients who received PrEP services** for the first time, and clients who have received services overall in 2021 & 2022

In 2021 & 2022 there was an average of **51.5%** of **prevented/averted congenital syphilis cases**. There were **164 pregnant females** under 45 with syphilis in 2021, and **169 in 2022**

In 2021 & 2022 there was an average of **7 data projects** each year undertaken by STI Control, HIV Prevention, HIV Surveillance, RWPA, RWPB, and Hepatitis C programs.

# Integrated Plan 2021 & 2022

## Treat

**Linkage to care** within 1 month of HIV diagnosis  
 2021: 80.7%  
 2022: 79%

An average of **66%** of **patients with early syphilis** were treated with **BPG** within **14 days** of specimen collection in 2021 & 2022

**HIV Care**  
 2021 & 2022

On average **54.4%** of people living with HIV were **retained in care**

On average **63.2%** of people living with HIV were **virally suppressed**

**Median number of days to 1<sup>st</sup> dose of treatment** for all adult syphilis cases at all stages was **7.0 days**

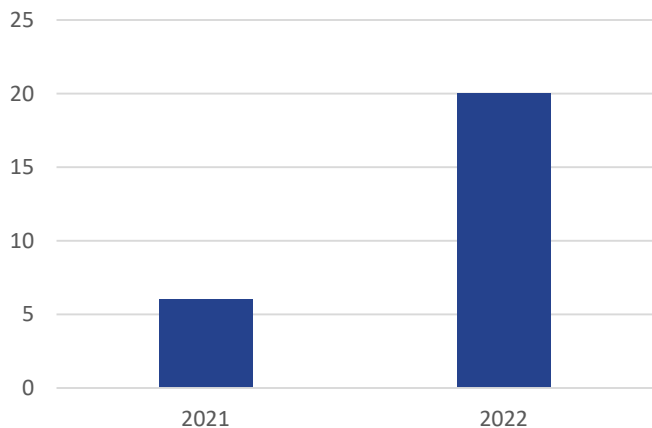

## Respond

**Partners that were engaged in HIV, STI, and hepatitis C efforts**  
 2021: 42 partners  
 2022: 45 partners

**HIV molecular labs** were performed and reported for **50%** of HIV labs in 2021 & 2022

Number of **trainings held for the existing workforce**

**Surveillance projects** initiated and completed by ADHS programs  
 2021: 9 projects  
 2022: 15 projects

For 2021 and 2022 there were **32 organizations** that were funded to do **HIV/ STI/ hepatitis C care and prevention work**
